**In re: Rate Increase on invoice delivered in October 2023**

Dear Valued Customer:

On July 5, 2023, the Kentucky Public Service Commission approved a general Rate Increase for the Bullock Pen Water District ("District"). A copy of the new water rates is attached. A copy of the Public Service Commission's Order approving the District's requested Rate Increase may be found on the District's website at <https://bpwd.org/>; picked up at the District Headquarters, 1 Farrell Drive, Crittenden, KY, 41030; or viewed on the Public Service Commission's website at <https://psc.ky.gov/>.

The District appreciates and understands that Rate Increases during difficult economic times can present an extra burden on our customers and their families and businesses. However, like yourself, the District has experienced escalating costs in all aspects of its operations and more particularly relating to chemicals, fuel costs, utilities, maintenance costs and the like. These escalating costs have dictated this Rate Increase. If anyone has any questions regarding the Rate Increase, please feel free to contact the District during normal business hours.

BULLOCK PEN WATER DISTRICT
